Recorded.

4. Read Government Proceedings No. 21994-22001—L. F. 263-93, dated 18th June 1894, observing that Presidents may accept the explanation of members (Local Fund Board) for their absence from meetings.

Also letter dated 31st July 1894, from the Honorary Secretary to the North Mysore Planters' Association informing that Mr. G. R. Oliver (Coffee Planter) has consented to be a member of the Board in place of Mr. F. Clifford whose name was struck off the list owing to his absence in three consecutive meetings as per Government Proceedings No. 2930-9—402, dated 20th May 1892.

Resolved that Mr. G. R. Oliver's name be submitted to the Government for sanction for a membership of the Board.

5. Read Proceedings No. 21222-6—L. F. 233-93, dated 8th June 1894, sanctioning the District Fund Budget Estimates of this Circle for 1894-95 for the information of the Board.

Finding that Rs. 250 provided for the stones for Local Fund Dispensaries have been disallowed. Civil Surgeon again urged the Board to apply for sanction, explaining that in Malnad Dispensaries, namely 1 Koppa, 2 Mudgere, 3 Kalasa, 4 Sollebile, 5 Yedahalli, these stones were absolutely necessary to preserve the medicines from deteriorating in their efficacy on account of the dampness in rainy whether. It was then resolved that a separate reference be made to Government on the subject for the sanction of the above sum.

6. Statements showing detailed expenditure from District Funds and Local Funds General under Revenue agency and Public Works Department during the past official year, also showing appropriations required for several incomplete and other works during 1894-95 were then read before the Board.

Resolved that the list of such incomplete and other works as can be completed within the year, requiring appropriations during 1894-95, be submitted to Government by means of a separate communication.

7. The following proposals made by the Amildars were then read and considered.

a Amildar of Tarikere—	
1. For appropriating Rs. 626 sanctioned for a well at Timmapur to the repairing of a katte in that village.	Resolved that no katte is necessary, as a well is already sunk in that village by a private person out of charity and left open to the villagers, and that the amount sanctioned from District Funds be cancelled.
2. Reports that the raiyats of Bhandre and Hunasaghatta have failed to come forward with the contribution promised by them towards the wells in the above places for which Rs. 494 and 294 respectively was sanctioned from Local Funds General.	Resolved that these works be struck off the list.
b. Amildar of Chikmagalur recommends the giving up of a well at Indavar for which an estimate for Rs. 3,180 was sanctioned, as the people of the village have failed to contribute either in the shape of money or labor promised by them towards the work.	Resolved that the work be struck off the list, as the raiyats have not come forward with contributions.
c. 1. Amildar of Koppa recommends the appropriation of Rs. 323—9—6 remaining unspent out of the sum sanctioned for a well at Hariharpur, to the construction of a bathing ghat at Hariharpur.	As the available amount is not sufficient for the construction of a ghat in question, the proposal has been deferred, but it was resolved that this sum may be utilized for paying as compensation Rs. 300 in cash besides some wood which the Muhammadans claim for the removal of the Maszid regarding which a reference is pending disposal.
2. Proposes the repairing of a tank in Upper Koppa out of Rs. 235 remaining unspent from the sum sanctioned for a well there.	Rejected.
3. Also advocates the giving up of a well at Sollebail on which Rs. 250 was spent in 1891, as there is no probability of tapping the underground springs, and proposes the appropriation of the unspent amount for leading water from a halla close by into the village.	As the water of the halla is filthy and unfit for drinking purposes, it was resolved to take further measures to deepen the well if possible with dynamite, and if that also proves a failure, then to select another site.
d. 1. Amildar of Mudgere states the impracticability of deepening a well there for which Rs. 969 has been sanctioned.	Since the present well is revetted with stones and may prove dangerous in deeping it, it was resolved that a separate estimate for the said amount for sinking another well be prepared and submitted for sanction.
2. Sinking a well at Sampigekan is not necessary.	As there is a stream which can supply good drinking water, it was resolved that no well was necessary and that it may be struck off the list.
e. Amildar of Kadur proposes the construction of a chavadi from District Funds at the eastern end of Kadur town, as the Municipality is too poor to undertake the work.	Passed, and was resolved that the cost be met from Local Funds General which may be granted for this year.
8. Proposed by Mr. B. Gundappa (Inamdar member) the opening of :—	As there are no funds at present, it was resolved that these proposals be kept for future consideration when funds become available in the meanwhile necessary statistics be gathered.
a. Gendahalli Sanivarsante road.	
b. A road from Lingadahalli to Sakrepatna passing Yemmedoddikan.	
c. Road from Sakrepatna to Santveri.	
9. Subjects discussed in the last Dasara Assembly.	
1. A road from Tarikere to Hebbegudda.	As a contribution of Rs. 525 has been already recovered and deposited towards the opening of this road and as the work is only estimated to be Rs. 1,030, it was resolved that the cost be met from Local Funds General grant which may be sanctioned for the year.
2. Road from Ajjampur to Channagiri side.	Resolved that no funds being available, the work could not be taken up.

3. Extension of the Mangalore Bangadi road to Megunda.	It was resolved that the British authorities be consulted first as to whether they are willing to continue the road in their portion if the same be taken up in this territory.
10. Proposed by the Executive Engineer whether the Doubla estate road be treated as District Fund road.	It was resolved that an up-keep allowanee of Rs. 60 be paid annually from District Funds to the proprietor of the estate and the road be annually inspected to see whether it is properly maintained and kept in good order.

The 16th day of August 1894.
